## Parent/Guardian and State Advisor Telephone Conversation

Florida HOSA State Office phone number: (386) 462-HOSA (4672)

Because of the extensive amount of time and travel involved with being a State Officer, the State Advisor would like to speak personally with each State Officer candidate's parent or guardian. This conversation will allow the parent/guardian and State Advisor to become acquainted and talk about the responsibilities that need to be met as a State Officer. It will also give the parents/guardians an opportunity to ask any questions they may have about their son/daughter becoming a State Officer.

Please fill-in the information below at the conclusion of the phone call and send with the rest of the application. A State Officer candidate will not be considered for office unless this call has been completed. The call is not anticipated to last more than 5 minutes.

If this call is unable to be accomplished before the Application Deadline, please send the remaining portion of your <u>completed</u> application to the Florida HOSA State Office according to the directions. Once received in the State Office, the State Advisor will contact your parent/guardian.

If you do not want long distance charges applied to your telephone bill, please e-mail the State Advisor (LDeVault@flhosa.org) to set up a time to call you.
